

Trainee

Interested in gaining work experience that is connected to your current studies?
Looking for an international environment? Keen on meeting new people from different
cultures? **We have something for you.**

Kemira is a global company providing chemicals and expertise to operations around the world. We are committed to being our customers' first choice by bringing sustainable value through improved product quality, better process and resource efficiency. We offer a result-oriented and collaborative culture that empowers you to drive excellence and innovation with a major impact on the future. If you have the right mix of curiosity, a drive for excellence and an innovative mindset, we want to talk to you.

We are now looking for a **Sales Representative for our Pulp & Paper team** in Poland / Świecie. Main purpose of that position is to take care about actual Kemira business and grow with new opportunities in a papermaking industry – both Poland and also EU markets. We are a global company so you meet and solve multicultural and international cases during your everyday workdays.

Kemira Pulp & Paper offers unique expertise in applying chemicals and supporting pulp and paper producers to innovate and continuously improve their operational efficiency and end-product quality.

What we offer:

- Development of your personal skills,
- International environment,
- Work in a solid and experienced team,
- Full support of our your all daily actions with all needed tools.

What we need:

- Good communication – both inside our local work team and within customer sites,
- Active work and no fear to step-up in new fields,
- Continuous will to grow your knowledge and skills,
- Technical, mechanical skills and thinking and best: papermaking or chemical background.

Find the right mix of experiences and opportunities at Kemira
